Please feel free to pick up the items at a garage sale or second hand store and drop them off at the Information Center so they can be cleaned before we put them in the nursery. Glorifying God in Community

THANK YOU: *Haven family, thank you, thank you, thank you for all your love, support, emails, Facebook messages, cards, and prayers while I served at Beautiful Gate Lesotho for the past 4 months. God's power, love and grace were evident there each day as I took care of the children and also worked in the office. Without you, God's plan for me would not have happened. Thank you for being a part of His Kingdom work. To Him be the Glory!!!! Christina Terpstra*

THANK YOU: *Dear Haven Family, We want to thank you for the overwhelming support and love we have received over the last year and a half. We have been so blessed by the cards, gifts, meals, help with the boys, landscaping, lawn mowing, visits....the list continues!*

The last eighteen months have been challenging. Your prayers and support have made all the difference in the world. I have seen what your prayers have done and it brings me to tears. Our sons are alive! Not only that, they are thriving! It is so amazing to watch them grow and develop! We have come so far over the months, it is great encouragement for the hurdles we have in the future. Max's lungs continue to progress and grow but we have a long road until he can be off the vent and get rid of the trach. Also, both boys will be starting feeding therapy in the next couple weeks to try and start eating by mouth. In the scheme of things these things seem like a piece of cake. J God has blessed us with two AMAZING sons! We are in awe of the courage and strength He has given them. They are our little Miracle Men.

Thank you thank you thank you for supporting our family through this time in our lives. We will never be able to thank you enough for all that you have done. God has given us a fantastic church family. In His Grip, Mark, Kate, Max, and Wes Wiersma
